You can also join and pay online directly from our website by following this [link](#).

LIMITATIONS

Our primary focus at ACCES is Biomedics in Atlantic Canada, however we welcome anyone from the Biomedical Community to take part in any of our Events and Webinars and become Associate members. Accordingly *only those over the age of 18 years residing in, or with offices in, Atlantic Canada are eligible for Regular Memberships*, as dictated by our [bylaws](#).

All memberships are for one year. Regular and Associate Memberships are granted for a fixed period starting April 1st till March 31st of the following year. Renewals extend your membership for one year to the following March 31st. New memberships activated after Jan 1st cover the full year up to March 31st of the following year.

Corporate Memberships are also granted for a fixed period but run from January 1st till December 31st of that calendar year. Renewals extend your membership for one year to the following December 31st. New memberships activated after Oct 1st cover the remainder of the current year and up to December 31st of the following year.

Associate and Regular memberships are non-transferable.
